# BC Hockey App

# To Date....

- The development of the App has been an on-going process for over 2 years
- Officially launched in January, 2014
- Since launch there have been 3968 downloads
- BC Hockey is the only Branch to have a Mobile App

# Version 2.0

- **Schedule/Score Update**
  - Ability to upload schedules to the Calendar
  - Ability to upload individual games to the Calendar
  
- **Tournament Notification**
  - Final Score notifications
  - Users can sign up for notifications on a per tournament basis

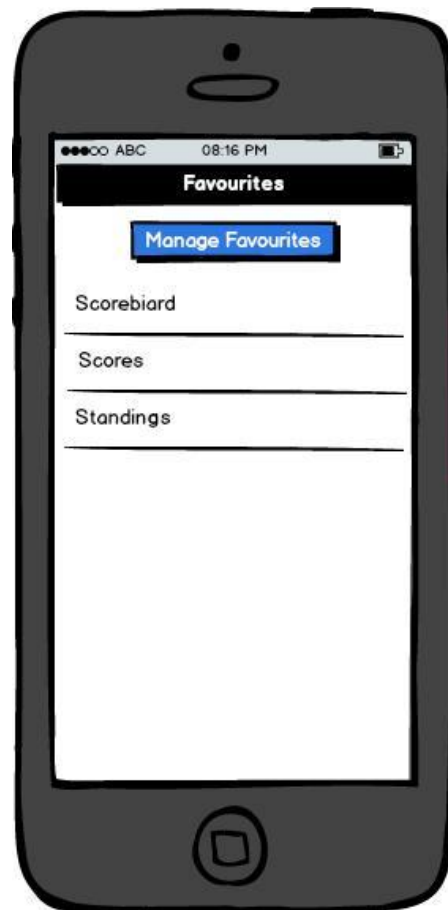

- BC Hockey Handbook
  - Imbedded into the App and will include a Table of Contents
  - Ability to jump to Sections and return to the Table of Contents
- Clinics
  - Information on clinics will be added
  - Ability to link with Google Maps to provide directions to the Clinic location

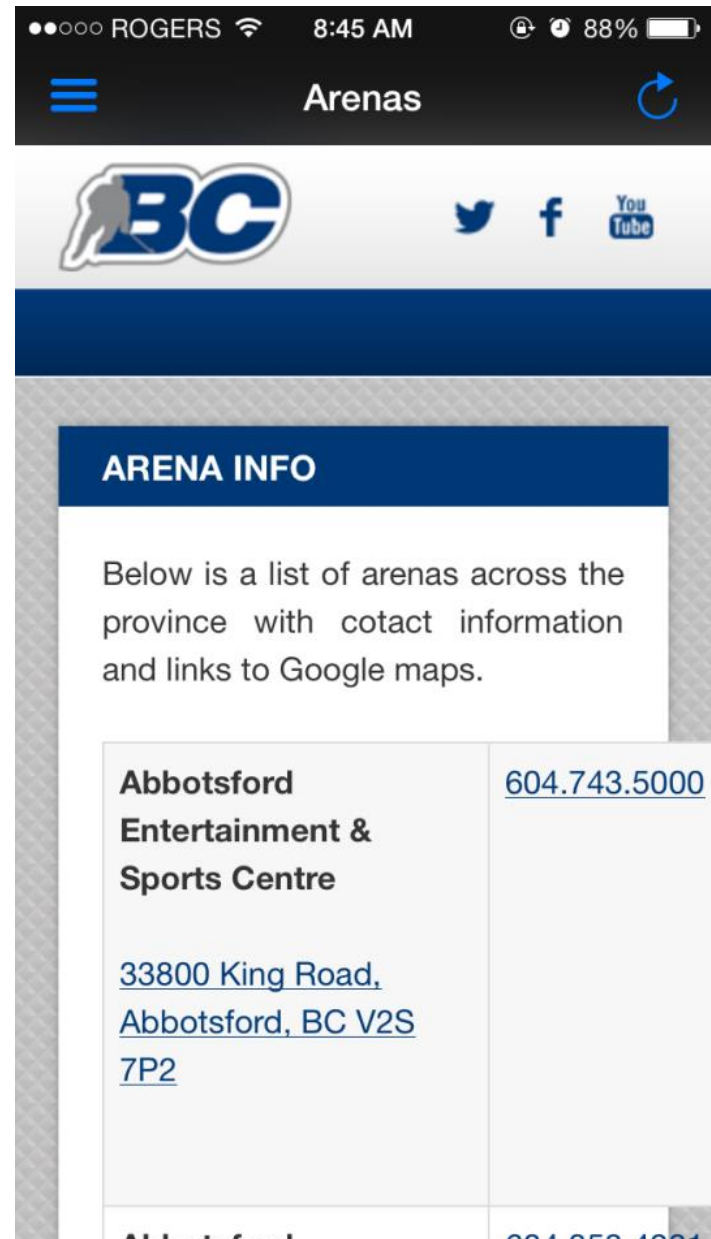

# • Favourites List

- Favourite pages by clicking a star icon at the top. Once a page has been tagged, a User can access by clicking on the Favourites tab in the Menu

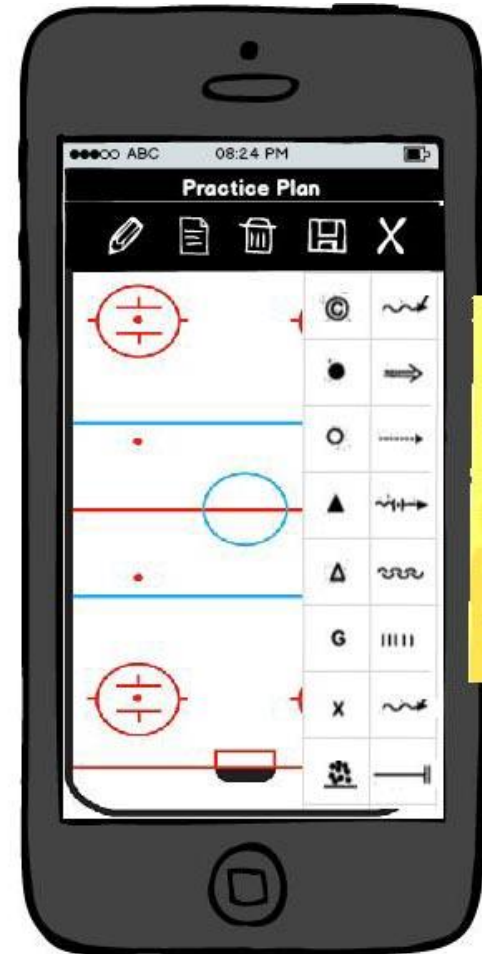

- Photo Booth
  - Include the season in the Card Templates
  - New backgrounds to choose from
  - Add your Team Name
  - Pinch/Crop and move images within the border
- Arena Map
  - Create alphabetically shortcuts
  - Search Option

# Interactive Coaching Tool

- Users will have the ability to create custom Practice Plans
- Plans can be drawn using interactive tools and include notes on the Drill. Once a drill has been completed the User will save and have access to the Drill

- The Drill will then be uploaded to a database of drills that any User can access
