

HOCKEY CANADA – TRY HOCKEY REQUEST

BC Hockey, in conjunction with Hockey Canada, has implemented a program that allows non-members to try the game of hockey. The Try Hockey program gives BC Hockey the ability to cover non-members through Hockey Canada Event Coverage. In order for the event to qualify it must meet the below criteria:

- The event covers kids from 5 – 10 years of age
- The event is a one-time occurrence
- Appropriate supervision is in place using registered coaches
- Players wear full equipment

To ensure that Hockey Canada is aware of the event we ask that the organizer complete the information below and return it to the BC Hockey office. BC Hockey will then submit it to Hockey Canada so that they have the dates and location on record. No other steps are required.

Name of Branch: _____

Name of Association/League: _____

Date of Event: _____
