WELCOME

Invermere is the business centre of the beautiful Windermere Valley. It is located between the Canadian Rockies and the Purcell Range close to the headwaters of the Columbia River in southeastern British Columbia. The population of 3,000 is supported by tourism, forestry and mining. The Windermere Valley is estimated to have 6,000 full-time residents swelling to 30,000 – 50,000 in the summer months.

Recreational opportunities abound in the Windermere Valley. In the winter months, the area is known for its two ski hills Panorama Mountain Resort and Fairmont Hot Springs Resort. Lake Windermere is also home to the world's largest skating trail in the world!

In the summer, visitors enjoy access to over a dozen golf courses, watersports on Lake Windermere, hiking, camping, and numerous other recreational opportunities.

On behalf of the Windermere Valley Minor Hockey Association and our Pee Wee Rockies team, we would like to welcome you to the BC Hockey Pee Wee Tier 4 Championships. We are honored to be your host.

Please review the information contained in this package and complete and return all required documentation as soon as possible. Should you have any questions or concerns please contact one of our tournament co-chairs.
