

## BC Hockey Player Development Committee

### Request for Interested Candidates

BC Hockey is currently seeking Player Development Committee (PDC) members. The Player Development Committee is a volunteer position that is responsible for working with Hockey Canada to provide technical information, oversight, and monitor of the delivery of Long Term Player Development (LTPD). The PDC is also responsible for the development of new hockey technical components as well as administrative and operational standards for player development.

In carrying out the duties above, the Player Development Committee members will exercise its authority in accordance with BC Hockey Bylaws, Regulations and Policies and such additional provisions as set out below.

#### Key Duties

The Player Development Committee shall perform the following key duties:

- Develop uniform operational standards for Player Development across Minor Hockey
- Recommend policy and regulations to the Board of Directors
- Builds player programs and resources
- Builds educational resources for parents
- Builds Association resources and advises Associations on implementation.
- Serves in an advisory role on member programming needs as well as the BC Program of Excellence
- Monitors the implementation of LTPD at the MHA and team levels and makes recommendations on changes required to meet LTPD standards
- Liaises with national LTPD organizations
- Presents LTPD materials when required
- Develop and manage the BC Hockey LTPD Messenger Program
- Act as subject matter LTPD specialists for BC Hockey committees
- Oversee the implementation of and updates to the Instructional stream material dealing with progressive player skill development.
- Implements skill development programming
- Assists in building High Performance - Performance Enhancement Teams
- Monitors LTPD research and programming to enhance overall portfolio
- Acts as a resource for player and team seasonal/ annual plans
- Assist teams including BC Hockey Program of Excellence teams with nutrition, medical, mental, physical preparation plans
- Liaise with private entrepreneurial instructional personnel to ensure consistent messaging

#### Composition

The Player Development Committee shall be composed of:

- Committee Chair – Technical Director
- A Board Director assigned to act as a liaison between the Committee and the Board. (non-voting)
- Committee members - 4-8 Subject Matter Specialists

- BC Hockey staff member (non-voting)

Committee members are recommended to the Chair of the Committee in cooperation with the applicable Branch staff. Members are to be selected by the Board. Submissions to the Board may be required to complete the selection process.

### **Meetings**

The Player Development Committee will meet in person at least once per year and via conference call, as determined by the Chair.

Questions and applications can be sent to [hr@bchockey.net](mailto:hr@bchockey.net) 250.652.2978.
