### CLINIC INFORMATION

Please see our clinics website for further information on clinics available in your region – <http://www.bchockey.net/Clinics/Clinics.aspx>

Coaching (NCCP), Officiating (HCOP) and Safety (HCSP) clinic registration is completed online by way of Hockey Canada EHockey. Delegates create an EHockey account, and then register for their desired clinic. EHockey accounts are a one-time setup and will recognize each member only by their email address (note: family members will need to use separate email accounts).

### IMPORTANT NOTE REGARDING YOUR E-HOCKEY ACCOUNT

Users need to create an [E-Hockey](#) account using a unique email address for the username. It cannot be the same as any other family member may have used.
