MINOR HOCKEY GOALTENDER RELIEF REQUEST

If a minor hockey team finds itself without a goaltender for a game(s), it may apply to the District Minor Operations Task Group member for goaltender relief and copy the Minor Operations Branch Co-ordinator. If the District has no Minor Operations Task Group member, submit the request to the Minor Operations Branch Co-ordinator. All requests must be signed by one of the team's signing officers and include written permission from the proposed replacement goaltender's team. Signing officers for minor hockey teams are generally the president/secretary/registrar. **Teams must use their rostered goaltenders or affiliates prior to requesting relief.** Refer to BC Hockey Policy Manual for more information.

Minor Hockey Association: _____
