Location

The District of North Saanich is located at the north end of the Saanich Peninsula approximately 25 kilometres north of Victoria, British Columbia on southern Vancouver Island.

North Saanich exists within the Traditional Territories of Coast Salish peoples. Specifically, the Pauquachin First Nation and Tseycum First Nation are an active and vital part of our community, and the District is committed to respectfully and appropriately engaging these nations in matters of common interest.

The District is surrounded on three sides by 40 kilometres of ocean shoreline, is home to the Victoria International Airport, and the Swartz Bay Ferry Terminal.

This area historically emerged from several coastal focal points inward to the interior of the Peninsula. Today, the community-like neighbourhoods which include Ardmore, Deep Cove, Curteis Point, Cloake Hill/Green Park, Dean Park and the South East Quadrant are on the periphery of a rich agricultural interior which is protected by the Provincial Agricultural Land Reserve. Agriculture is very important to the municipality, as evidenced in the number of farms, and road side produce, and flower stands.

Transportation

One main highway, the Patricia Bay Hwy (Hwy 17) service the Peninsula. Hwy 17 runs from the Swartz Bay ferry terminal to the downtown core of Victoria. This is the main major road when travelling to the rink.

Turn off at McTavish and head East to East Saanich Road, turn left on East Saanich Rd. and Panorama is located just down the road on the right.

Ferry Travel

Swartz Bay is the major arrival and departure point for southern Vancouver Island with nearly two million cars and 6 million passengers arriving annually via BC Ferries.

Ferry Reservations are recommended and can be made at www.bcferrries.com

Bus Travel and Public Transportation

BC Transit runs throughout Greater Victoria with service to and from the Ferry, the arena and the downtown Victoria core.

A discount code for the event through Air Canada has been acquired, please contact midget@pmha.bc.ca for more details.

Harbour Air, the largest all-seaplane company in the world with a fleet of 30 aircraft, offers frequent daily service from Vancouver to Victoria's inner harbour. The scenic 20-minute flight shaves hours of commuting time off the trip between downtown cores.

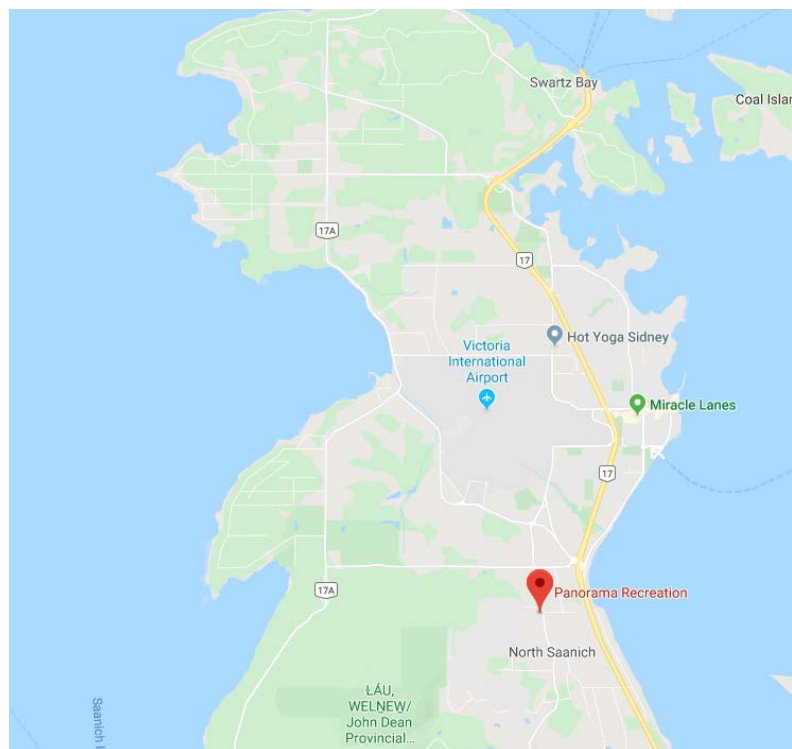

Panorama Recreation Centre

Winner of Hockeyville, our Arena B had a \$2.2 million facelift, including a new ice plant, ice surface, boards, glass and seating.
