

Three Minutes for Governance

AGM – nominations from the floor

Nominations from the Floor

- Historically this has been the practice
- Two reasons have been identified for this practice;
 - Realignment of candidates
 - Use of the AGM for district meetings

Reasons for Change

- The possibility for “trickle down” has been reduced.
- Changes to the Societies Act
- Design of the new Nominations Committee

Positive changes

- 1) For the candidate
- 2) For our members
- 3) For the organization
