Summerland is a unique and special place located in a region of BC renowned worldwide as a great place to visit and even a better place to live.

The name really does say it all. Seemingly endless summers are followed by a warm vibrant fall with wine festivals and the last days at the beach.

The short and very mild winters, with a full complement of activities, lead into a spring that features the most hours of sunshine of any place in Canada.

Summerland is truly a four season playground.

Come visit. We can't wait to show you what Summerland has to offer.
